

The Astro Post

Week 5 July 16 - July 20

Our Wonderful Week

Hello Tamarak Parents and Campers!

The heat was on this week at Tamarak as the Astros had another amazing week. All throughout the week, campers could be seen looking high and low, turning over leaves and digging through the dirt in search of one of the 20 golden nuggets. Anyone lucky enough to find an elusive nugget was able to turn it in to claim a special prize from Tamarak's nature expert Ralph.

This week, saw many Astros take advantage of some extra opportunities that Tamarak offers, as they ventured away from camp to go horseback riding and golfing. In addition, on Wednesday, many campers went on the weekly Athletic outing to Butterfield school and spent the day playing capture the flag and kickball.

Additionally, the Astros spent some bonus time down at Arts and Crafts designing their very own vibrant and colorful tie-dye shirts.

Next week, the campers can look forward to all the pomp and flare of Carnival Week and another whacky, wet and fun outing at Vernon Hills Water Park.

HIGHLIGHTS OF OUR WEEK

- Handball
- Making chalk at science
