

The Bluejay Bulletin

Week 5 July 16 - July 20

Our Wonderful Week

Dear Parents,

This week the HUNT WAS ON! All week the campers were on the hunt for Golden Nuggets! Golden Nuggets were hidden by our favorite Nature Specialist, Ralph. Our Bluejays looked high and low and one of our girls found one! Wahoo! We also got to catch bottle rockets and did the mentos and soda experiment. This week in Arts and Crafts we got to rubberband our shirts as the Arts and Craft specialists work hard tie dyeing every single shirt in camp! We can't wait to wear our super colorful tie dye shirts next week on Wednesday! Nature week was a blast!

This week we had a ROCKIN time! We played hand ball on the athletic field and had a rock, paper, scissors tournament, where we practiced sportsmanship! In the tournament we learned that it does not matter if we win or lose, but that it is important that we are having fun and so we cheered on our friends! In Science, we put our creativity to the test and created our very own chalk and we got to even test them out! Bluejays got to pick which optional they wanted to participate in for the next four weeks! Our girls got to choose between, Nature, Fine Arts (painting murals for the new garden we have), Athletics, and Dance! Our girls were so excited and all had a FABULOUS first week of introductions in to their optionals and cannot wait for the next three weeks!

Next week is week 6! That means Carnival Week! We will celebrate all week with some fun and games! Next week on Wednesday we will get to see all of camp shine BRIGHT in their unit matching tie dye shirts! Next Friday we will have a Carnival Day of our own where Bluejays will get to come to camp in a costume of their choice and help lead and participate in games! So start Brainstorming! We cannot wait to see what everyone will be wearing! Even our counselors will dress up! Get excited!!

HIGHLIGHTS OF OUR WEEK

- Picking out optional choice!
- Hunting for Golden Nuggets!
- Playing Capture the flag at athletic outing!
- Making our Tye Dye Shirts and taking them home!
- Making chalk in science!
- Finishing our dance in dance!
