

The Daily Dodger

Week 5 July 16 - July 20

Our Wonderful Week

Dear Dodger Families,

This week was another fantastic one at camp for the Dodgers! This week was Nature Week. All week, campers were on the hunt for gold nuggets (painted rocks) placed strategically throughout camp.

We had our third outing to Butterfield School. The Dodgers played a massive game of capture the flag (animals). Ask your camper about it!

In nature, we learned about erosion and mammals. The campers experimented with sand and water to see how erosion works.

In challenge, the Dodgers worked on problem solving by playing a game where they have to copy a 3 dimensional design or create a mirror image.

This week we also created our group tie-dyes in art. Be on the lookout for your t-shirt coming home with your camper and please follow the wash instructions. All campers should wear their tie-dye next Wednesday. It is remarkable to see hundreds of campers and counselors wearing their creations.

The campers also worked hard in the pool, perfecting their strokes. Remember, you can come visit your camper to see them swim during their designated time.

Next Friday is Carnival Day so campers are encouraged to dress up in the morning. Please make sure all costume parts are labeled with their name.

HIGHLIGHTS OF OUR WEEK

- Making our group tie dye t-shirts!
- Outing at Butterfield School
- Gold Nugget Hunt

REMINDERS

- Sign up for the Dodger Late night on Monday, July 30. Registration is online on our website.
- Next Friday is Carnival Day!
- Camp will be closed to visitation until 11:30am on Friday, July 27th
