

The Munchkin 2 Message

Week 5 July 16 - July 20

Our Wonderful Week

This week was awesome! We celebrated all things nature! We read a story with our friends at Yoga, incorporating nature into our poses and we created our very own birds during arts and craft. We also learned a lot about mammals during nature with Victoria. She taught us that we are omnivores. During music, Marci and Andy helped us sing "Take Me Out of the Bathtub," and "Buddy Bear." Our time at the athletic field was spent playing with another Munchkin group and Aaron. We had such an amazing week and we cannot wait for the fun to continue!

Have an awesome weekend!

Mikayla, Abby, Natalie, and Andrew
