

# The Munchkin 3 Message

Week 5 July 16 - July 20

## Our Wonderful Week

Dear Parents,

Welcome to Week 5! It is hard to believe that camp is already half way over. This week was nature week and so many of our activities or projects incorporated the outdoors. In Arts and Crafts, we made festive birds to go along with our theme. In Nature, we learned about mammals and the different characteristics of mammals. As always, at the athletic field we played lots of fun tagging games with our friends from Munchkins Group 2. The Munchkins also enjoyed our story time this week with Ms. Kim. In ceramics we made lady bugs out of clay. In Jump Start, we learned about the importance of responsibility.

We hope you have a great weekend!

Clare, Itzel, Kayla, Weston
