

# The Munchkin 4 Message

Week 5 July 16 - July 20

## Our Wonderful Week

Dear Parents,

Happy Nature Week. This week we had so much fun fishing for surprises, telling a story about a rainy, swimming with other Munchkin groups and learning new songs and games. Drama has been fun-filled with interactive stories and fun games. This week in nature we touched animal fur and touched the sand that helps with oil spill cleanup. This week we also had fun with our A girl mentors. The Munchkin and mentor connections are great. Watching them smile and laugh with their A girls is so fun to watch! Our song of the week is Take Me Out of the Bathtub. The Munchkins have so much singing the silly song. In Arts and Crafts we made our own campfire with our hand prints. Camp is flying by! We are having so much fun!

Nicole, Gabby, Maryam, Dylan, Lucas
