

The Munchkin 5 Message

Week 5 July 16 - July 20

Our Wonderful Week

Dear Parents,

The Munchkins in Wonderland celebrated all things nature this week at Tamarak. During Nature with Victoria we learned about the different types of mammals, herbivores, carnivores and omnivores and how well fur protects animals from the cold. At Arts & Crafts with the help of our A girl mentors we made some vibrantly colored birds of paradise and some cozy looking campfires. At challenge with Brendon our memorization skills were put to the test when we had to remember and recreate the layout of a dozen objects. All Munchkins also had time to go *fishing* at camp, but rather than *reeling-in* a fish each of them were given a little prize to take home. During Munchkin music with Marci & Andy we sang "Take Me Out of the Bathtub", "Three Green and Speckled Frogs", and "Three Little Ducks". At golf with Kevin we had the chance to practice our chipping and putting on a mini golf course. It was another incredible week here at camp!

Have an excellent weekend!

Oliver, Alyssa, Kylie & Tess
