

The Expo Express

Week 6 July 23 - July 27

Our Wonderful Week

Dear Expo Parents,

Week six has come and gone at the blink of an eye. On Wednesday, all campers, counselors, and head staff wore their new 2018 tie dye shirts that we made during week five. The camp grounds looked great! It was neat to see everyone showing off their new clothing in a sea of greens, blues, red, yellows, and other mixed colors.

We finished our week off with the annual Tamarak Carnival Celebration. All campers wore costumes of their choosing and all counselors coordinated their costumes around a different theme for each group. The Expo counselors choose the theme of "70th Birthday Recipients." We all dressed as grandparents celebrating our 70th Birthday since Tamarak turned 70 this year too! On Friday morning, with the help of the campers, Tamarak turned from our normal outdoors, naturesque camp, into a bright and colorful carnival – streamers, posters, etc. The campers then were able to move throughout the camp playing games inspired by each groups theme. From bozo buckets to ring tosses and shoot a basket to throw a ball through a hoop. To go along with our "Birthday" theme: the Expos' hosted booths in which campers had to guess which Head Staff, UL or Lead Counselors baby picture they were looking at as well as a place to get a personal caricature.

What an awesome week. I wish all campers who are done with Tamarak after this week a great year and we hope to see you again next year!
