

# The Munchkin 1 Message

Week 6 July 23 - July 27

## Our Wonderful Week

Dear Moana Munchkin Families,

We have had an amazing week at Tamarak! It started with the singing of carnival week songs like “There Was a Circus That Had a Clown” (M1 led this on Friday). We had a wonderful time at basketball, playing carnival-themed games and earning green cards. Learning about different types of turtles and their shells in Nature was fascinating! The kids even got to create their own shells (that many of them wore to line-up in the afternoon!) As always, music with Marci and Andy was a blast. The weekend ended with a super fun carnival day that was filled with many different booths and games to choose from. The munchkins got fun prizes and, more importantly, demonstrated great sportsmanship! We cannot believe camp has gone this quickly. We are looking forward to week 7!

Week 7 will be Olympics here at Tamarak. Munchkins will be involved in song and cheer, Olympic games, opening ceremonies and much more. On next Wednesday, Thursday and Friday please dress your child in their country colors if possible! Our group, M1, will be Iceland and our color is BLUE!

Warmly,

Ben, Jessa, Ashley, and Patrick
