

The Munchkin 2 Message

Week 6 July 23 - July 27

Our Wonderful Week

As always, this week was awesome! Our theme was Carnival and our campers had a blast! Each day was started off with all the munchkins singing, "Bingo Was His Name-o" during morning line-up. During Nature with Victoria, we created our very own turtle shells. At Arts & Crafts with Katie, we made pretend cotton candy! We had a super fun time during Music with Marcie and Andy, singing carnival songs! To top off this awesome week we went on a bear hunt and had carnival games and prizes on Friday!

Week 7 will be Olympics here at Tamarak. Munchkins will be involved in song and cheer, Olympic games, opening ceremonies and much more. On next Wednesday, Thursday and Friday please dress your child in their country colors if possible! Our group, M2, will be Italy and our color is GREEN!

Have an awesome weekend!
