Week 7 July 30-August 3

Dear Parents,

This week is one to remember! It was Olympic week here at camp. The girls got split into four different countries; Peru, Italy, Iceland, and Spain. Throughout the week campers would compete during activities to win their country points. Some of the activities included Tug-A-War, races on the athletic field, and the camp wide Balloon-A-Thon! Also, on Friday each team performed their song and cheer for the whole camp! One thing that I do love about Olympic week is that it creates unity for the camp as a whole. Even though they are competing for their country the girls showed amazing sportsmanship and would cheer on all the other countries!

This week the A-Girls got to show their mothers what camp is all about at our Mother/Daughter Picnic. They got to make a craft with their moms, play some games at sport courts/basketball, and show off their moves in the swimming pool! At the end of the picnic all the girls and their mothers got together for a bonfire. At the bonfire the girls to talk about some of their favorite things at camp and what it meant to them to be an A-Girl. The things the girls said were very sweet and it made me feel so blessed to be their Unit Leader!

This week was the Alouette's last week for horseback riding. They celebrated their last day of horseback riding with a show. The girls had so much fun every week horseback riding and learned a lot. Their smiles prove it!

I can't believe that there is only one week left of camp! Each week has beaten that last and I cannot wait to see what next week has in store for the A-Girls!
