

The Astro Post

Week 7 July 30 - August 3

Our Wonderful Week

This week saw the excitement of Olympic Week return to Tamarak. Throughout the week, campers represented the countries of Italy, Peru, Iceland, and Spain, competing against each other in several fun activities. On Wednesday, the whole camp participated in Balloon-a-thon. The goal of the game was for campers to move in groups and collect balloons from the specialists and safely return the balloon to their home bases without being tagged by the pool staff and UL's. It was truly special to see all the campers working in teams to collect as many balloons as possible. On Thursday, campers used all their strength for our annual tug-of-war competition. Olympic Week concluded on Friday, when the campers put their vocal chords to work as each country presented their song and cheer to the camp. Week 7 saw many Astros participate in the second Astros overnight of the camp season. The night was filled with food and fun. The Astros started their night with games of nine square and Ga-Ga, followed by a fun trip to the pool. The fun did not stop there as the Astros played capture the frog, made helicopters and finished their day with a movie. Of course, no overnight is complete, without a few of Dave's famous pancakes in the morning.

Check back next week to hear all about the last week of the camp season.

HIGHLIGHTS OF OUR WEEK

- Balloon-a-thon
- Song and Cheer competition
- Astro Overnight
- Helicopters
