August 6-10 Week 8

Our Wonderful Week

Dear Parents,

It was one amazing week at Tamarak and one to not forget! There were lots of tears on Friday as we all said goodbye to our camp friends and counselors. Even though we were all sad to see summer 2018 come to an end, everyone left camp full of happiness!

This week was the Boy/Girl Swim meet. The A-Girls did an amazing job! Each girl got to race in at least one race. Races included Front Crawl, Elementary Backstroke, Breaststroke, and then a relay of whatever their favorite stroke was. The girls were so eager to get into the pool and show the A-Boys what great swimmers they are. The amount of sportsmanship that was shown during the swim meet was overwhelming! If an A-Girl wasn't swimming in that race they sat on the side and cheered their fellow A-Girls on! It was an awesome thing to see.

All activities were coming to an end this week. In Arts and Crafts the girls got to finish up painting their floppy bowls and then took them home. In dance the girls finished the dance that they have been learning and when on a tour around camp to show off their moves! They performed for everyone and anyone who would watch! We even had some Alouette's who were very brave and confident and did the dance as a solo or duet!

There was so much that we got to do this summer and many memories made that I couldn't talk about it all! The Alouette's are kind, sweet, outstanding girls and I thank you from the bottom of my heart for sharing them with me! I am so blessed that I got to spend my summer with them! I know they all have made friendships that will last a lifetime! I can't wait to see what Summer 2019 has in store for the A-Girls!!

Jen Bertram, Alouette UL

HIGHLIGHTS OF OUR WEEK

- Water Park outing to Wheeling
- Boy/Girl Swim Meet
- Munchkins singing and presenting a gift to the mentors at Line Up

REMINDERS

Have a great school year and see you next summer

If you have any questions, please call the Camp Office at 847-634-3168
