

The Bluejay Bulletin

Week 8 August 6 - August 10

Our Wonderful Week

Dear Parents,

Sadly, it is our last week at camp for the summer 😊 This week we raced against the Braves during our first swim Wednesday morning! The girls did a fabulous job swimming front crawl, back crawl, breaststroke, and elementary. The Bluejays won many ribbons during their races! They cheered each other on and had a blast! Tuesday was our last outing to Wheeling Water Park. The girls loved going off the drop slides, jumping off the diving board, going through the waterfall, splashing in the splash pad and hanging with their friends in the water. This summer has been one to remember! We have done so many different activities, made many new friends, and have tried a ton of new things! Our unit is made up of so many wonderful, sweet, responsible and respectful girls. Each girl is unique and talented in so many ways! I hope the girls had as much fun as we have and remember what they learned here at camp and carry it with them during the school year! We cannot wait to see everyone next summer when they are Alouettes! Have a fantastic school year!

-Tasha Stancin, Bluejay Unit Leader

HIGHLIGHTS OF OUR WEEK

- Racing against the Braves in the Pool!
- Winning decorations of the clubhouse
- Hanging with our friends and counselors
- Having a Blast at our outing to Wheeling Water Park!

REMINDERS

Have a fabulous school year! We hope to see you next summer!
