

The Munchkin 1 Message

Week 8 August 6 - August 10

Our Wonderful Week

Dear Moana Munchkin Families,

This is the Week 8 newsletter which means, unbelievably, that it is the final week of camp. These past eight weeks have just flown by. From the amazing arts and crafts we created, to the games we played and the camp programs we enjoyed, we have loved every moment with your campers. We have seen them learn so many new swimming skills. They had a wonderful time participating in all activities, including athletic field, yoga, basketball, and more. We had the pleasure of watching a group that began the summer excited to make new friends but ultimately became more than that. They became a family. The bond your campers have formed will never be forgotten. Thank you so much for giving us the opportunity to get to know your campers, and we hope to see all of you next summer!!

All the best,

Ben, Ashley, Patrick, and Jessa
