

# The Bluejay Bulletin

Week 2 June 25 - June 29

## Our Wonderful Week

Dear Parents,

We had a very magical week here at Tamarak! We began by making heart pinch pots in ceramics and practicing our Tamarak Idol Dance for next week's performance! The theme of our dance is Rock-n-Roll! Ask your Bluejays to show you the dance! We also began to learning a Bluejay dance in our dance class! We have lots of fabulous dancers in our group! During athletics, we played kickball, but with a twist! We kicked the ball and the campers in the field had to kick the ball into a soccer net, while the kicker had to run around the bases as many times as she could. In science, we learned about gravity and we worked with different objects to see how gravity pulls them to the earth. As the weather had storms predicted for Tuesday, we planned ahead and went bowling instead. It was a BLAST! After bowling, we went to the arcade, drink lemonade, Sprite and water and had delicious pizza for lunch! The fun didn't stop there: Wednesday was our first sleepover! We had a third swim, ate dinner in the pavilion, watched a movie, played the screaming game, which many loved, and ate Dave's Famous Pancakes for Breakfast! It was SO MUCH FUN! I loved seeing smiles on everyone's face this week as we tried new things, made new friends, used teamwork and problem solving skills. One of my favorite things of the week was watching the girls support and cheer each other on during our various activities! We have had such a great week, I can't wait for next week! I hope you have a wonderful weekend!
