

The Expo Express

Week 2 June 25 - June 29

Our Wonderful Week

Dear Parents

Week two is in the books and what a week it has been. We were fortunate to have such nice weather compared to the first week of camp. I hope that your camper has shared with you all of the fun things they have been participated in and learned. If they have not, please take a look at the "HIGHLIGHTS FROM OUR WEEK" section below and ask them about some of the topics.

The nice weather this week allowed us to follow a normal schedule of activities almost every day. As we progress into the summer and finishing up a normal week of camp, it has been nice to see some of the campers start to open up and become more comfortable with one another and their counselors. I have noticed some friendships begin and some friendships flourish throughout this week.

As we move into week three, we will continue to learn to work together and work hard through exciting and motivational activities. Remember that we do not have camp on Wednesday in observance of the Fourth of July.

Have a great Fourth of July!

Jonathan Wepler

PLEASE NOTE: On Friday, July 6th, camp will be closed to visitors until 11:30 am because of Tamarak Idol.
