

The Bluejay Bulletin

Week 6 July 23 - July 27

Our Wonderful Week

Dear Parents,

This week was filled with so many fun activities leading up to Carnival Day on Friday! On the athletic field the girls learned how to play Rugby and got to play Rugby capture the flag. In science, we created our own crystals. We added colored water to the solid crystals and watched them grow into the size of a nickel. In drama, the girls wrote their own story and acted it out. The stories got very silly! On Thursday we had a great time on our outing to Vernon Hills water park! We went down the tube slides, relaxed in the lazy river, and swam in the pools with our friends! Wednesday, was our last sleep over for the summer ☺ We went swimming, did a scavenger hunt, made a craft, watched a movie, and got Dave's famous pancakes for breakfast! It was awesome! Friday was carnival day! It was so sweet seeing all the Bluejay's dressed up in their fabulous costumes! The girls got to be in charge of their group game, as well as, played a ton of different carnival games and won prizes. We are so excited for Olympic week! We will get into our teams, learn a song and cheer and play some tug of war!
