

The Daily Dodger

Week 2 June 25 - June 29

Our Wonderful Week

Dear Parents,

What a fantastic second week at Tamarak!

Due to the weather, the Dodgers had a bonus outing to Butterfield School. The campers played individual and cooperative games. The kids will be returning to Butterfield School next week for their regularly scheduled athletic outing.

In swimming, the Dodgers are continuing to work on their skills in the pool. Make sure to check your campers bag on Friday for a swim report.

A new Dodger activity this year is Dance. The campers are loving this and each group is making up a dance routine.

All the Dodgers smiled brightly in their Tamarak T's for picture day. Group photos will be emailed at some point before the end of the first four weeks.

In Science, we learned about animal skeletons and the campers loved Magic Day on Friday.
