

Tamarak Country School

Tamarak Tots

Tamarak Tots is designed to enhance social interaction and play of children at an early age. It is an opportunity once a week for children 16 to 23 months to spend time with a parent or caregiver to explore new surroundings. It's a perfect way to introduce your child to new people, objects and settings in a safe and caring environment.

Our goal is to allow you and your child to spend quality time together with other parents or caregivers and children while becoming acclimated to a school setting.

Children learn through play and Tamarak Tots is the perfect way to create play and social opportunities for your child starting at an early age.

In Tamarak's safe, supportive environment, children begin to build the foundation for a successful school experience.

Activities include music, stories, crafts, outdoor play, socializing and snack.
