

TAMARAK TINY TOTS

2023-2024

Days: Tuesday or Thursday

Time: 11:00 to 12:00

Child's Age: 6 to 16 months

Location: Tamarak South

Enrollment: for child and parent or caregiver

Enrollment is by Semester and is offered for two semesters

Tamarak Country School's TAMARAK TINY TOTS program is designed to enhance social interaction and play of children at an early age. This class is offered one or two times a week for children 6 to 16 months to spend time with a parent or caregiver and to explore new surroundings. It is a perfect way to introduce your child to new people, objects and settings in a safe and caring environment. Our goal is to allow you and your child to spend quality time together with other parents or caregivers in a professional and safe setting.

Begin each class socializing with other parents/caregivers of children of a similar age then transition into teacher led activities designed to enhance the development of the whole child.
