**Child's Age: 3 by September 1**

Tamarak Country School's THREES program is for children turning 3 by September 1st. The goal is to provide a range of multisensory activities to develop social awareness, language acquisition, literacy and math development and fine and gross motor skills. Gaining independence and pride in their accomplishments are also important hallmarks of our Preschool Threes program.

## Program Highlights:

- Learning to be part of a large group
- Benchmarks, goals and work portfolios
- Introduction to Handwriting without Tears
- Regular home/school connection activities
- Hands on science activities
- Spanish, Music and Art
- Individual student goals
- Social/Emotional learning taught through gross motor activities using the Superflex curriculum
- Individual and small group instruction
- Fully equipped indoor and outdoor classroom
- Journaling
- Creative expression
- Fall and Spring parent/teacher conferences
- Extension classes and stay and play options

All Tamarak teachers have both early childhood and elementary teaching experience and have their college degrees in the field of education. Through student benchmarks and ongoing assessment, teachers will focus on differentiated instruction, ability grouping and individualized student goals. Our Learning Specialist will be an active part of the classroom as well.

Tamarak continues to receive the highest levels of accreditations from the prestigious national NAEYC organization as well as from ExceleRate, the highest ranked state organization.
