CAMP TAMARAK TOTS

Tamarak's parent and child camp programs, facilitated by Tamarak Country School teachers, offer a welcoming place for children and their parents or caregivers to play, connect, and get to know other families with children of a similar age.

Classes are held at Tamarak South, located at the Community Christian Church in Lincolnshire. Each class has 6 to 12 children, each accompanied by a parent or caregiver.

Program Goals

- **Social/Emotional Development:** Through positive interactions with Tamarak teachers, caring adults, and peers, children build confidence, strengthen relationships, and develop social and emotional skills.
- **Cognitive Development:** Sensory play, songs, rhymes, and music help children explore, learn new words, and develop memory and communication skills.
- **Gross Motor Development:** Through tummy time, crawling, dancing, water play, and other playful movement, children build strength, coordination, and awareness of the space around them through active play in both our indoor and outdoor facilities.
